Scoop, story incoming:

Facebook groups tied to American offshoots of Canada's "Trucker Convoy" are being run by fake accounts tied to content mills from Vietnam, Bangladesh, Romania and several other countries, the company confirmed to NBC News on Friday.

It seems that Watson and OPS think we are somehow responsible for deployment of rcmp officers instead of PS and RCMP. It's why his CO...

It's because they haven't gotten calls back from MM's office. It it's complete comms breakdown on that side of the house ops rcmp and PS
